Overview

Felbrigg House provides a specialist residential service for all gender identities who have a learning disability, or who are autistic, and who have sensory and communication impairments.

We are specialists in working with additional complex needs including:

- Epilepsy
- Diabetes
- Self-injurious behaviours
- Prader-Willi syndrome
- Individuals who may have limited hearing or sight
- Individuals with mobility issues who may require a wheelchair

The service is staffed 24 hours a day by a dedicated team of Support Workers, led by an experienced Registered Manager.

What we do

The service is designed for those individuals who require a high level of support to live within a community setting and will continue to require this longer term. Clients may be transitioning from children’s residential services, education, or moving out of the family home.

We are also experienced in successfully managing clients moving from services where their placements may have broken down or where their needs are no longer being met.

The aim of the service is to encourage individuals to lead a full and purposeful life, enabling them to live more independently in the heart of the community. This is achieved through a programme of active community engagement, that promotes meaningful social networks and the development of bespoke coping strategies. This also supports developing further independence and social skills, including participating in meal preparation, learning about safety measures both in their environment and out in the community.

We are proud of the excellent relationships with the families/carers and friends of the individuals we support, who are encouraged to play an active part in the lives of their loved ones.

About Felbrigg House

Felbrigg House is situated in the Conservation Area of Dover, in Kent and provides a spacious beautiful character home, with two fully enclosed gardens and eleven spacious en-suite bedrooms. There is a good range of shops and amenities a short walk away, including outdoor recreational areas and parks, beaches, local beauty spots and zoos. Dover has direct train access to London and good road links around the area.

What support we offer:

- Individual, tailored, person-centred care and support
- Multiagency & family partnerships for a holistic care pathway
- Active service user and family involvement in care planning
- Positive Behaviour Support (PBS)
- A bespoke governance system with an emphasis on safeguarding
- Access to independent advocacy
- Community engagement, leisure and vocational opportunities ensuring residents are able to access all the facilities and resources they wish to, whilst keeping safe and having choice and control

Enabling individuals to reach full potential

We deliver support with dignity and respect, achieve personalised outcomes and help people to develop constructive ways of communicating through new skills and behaviours.

The outcomes we expect to see include:

- Ensuring each individual achieves their full potential
- Improved quality of life through meaningful life experiences and opportunities
- Development of greater choice, control and independence
- Support with social inclusion through active community engagement
- Achievement of good physical health
- Improved self-esteem and self-worth
